## Message from Mr Shoults

You will have seen from the Labour Party conference a motion passed proposing to abolish independent schools; I hope you will have also seen the considerable opposition to this idea, even within the same conference, on multiple grounds: the removal of choice, a question of legality, economic feasibility, and of course the benefit which independent schools provide to the economy and communities. Mostly notably, perhaps, a number of head teachers of state schools have pointed out their opposition to attacks on schools which do much to support them. This is certainly true of NHEHS and the GDST, and is something I feel particularly passionate about. All GDST schools are involved in at least three partnership projects with local state schools. Please rest assured that the GDST and the Girls' School Association will continue to represent robustly the benefits and value of independent schools.

Here at NHEHS we have regular partnership events throughout the year; on 9th October, for example, I am delighted that we are welcoming members of the Royal Philharmonic Orchestra for a new initiative, where they will be holding a workshop day with our own junior school musicians and those from neighbouring primary schools, to inspire them in their music making. It should prove to be a fantastic day and another chance for our Junior girls to play with and inspired and be inspired by other young musicians. Last week our Year 13 History Representatives hosted a convention for local Sixth Form students, with a panel of academics gathered before a packed house to discuss the end of the British Empire, and expertly hosted and compered by our students.

The day of athletic reckoning is upon us, with the Ealing Half Marathon this Sunday. The staff parent team will be raising money for the Log Cabin, a local charity close to the school's heart, which supports children and young people with additional needs or disabilities, and for whom we run a summer event. If you feel able to add to our fundraising total, I would be very grateful for any contributions via the donation webpage [here](#).

Can I take this opportunity to thank you in advance for support on the day (it may be much needed!).
