Digital developers project

Working with: Ealing Mencap

Open to: Year 10, 11, 12 and 13.

What do I have to do: Together five students will become the founder members of Ealing Mencap's new Young People's Board. They will work alongside employees of Ealing Mencap to create, launch and update new social media content aimed at younger people. This could include website, Facebook, YouTube, Instagram and twitter, blogs and vlogs and will be their take on things like working in the charity sector, the lives of people with learning disabilities, barriers to inclusion, news, views and anything else that they think other people would be interested in.

Application: The five students who fundraise the most money will win a place on Ealing Mencap young persons board. Fundraising efforts completed by 14th of December 2018
